

Computer Labeling Systems for Laboratory

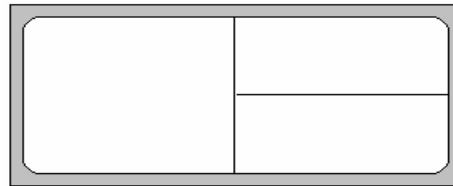

MedVantage stocks Specimen ID, Receipt and Collection labels for most laboratory computer systems. Save money on thermal labels and ribbons for bar-code printers including Fargo, Intermec, MedPlus and Zebra. We also stock labels for laser and dot matrix printers and manufacture custom labels. Use the enclosed Price Request form to send us a sample of the label you currently use and we'll fax you our prices. For more information just call Customer Service at 1-800-743-5078.
